**Patriot Military Grade Level Trap
5.56 SRTA/SS109/M193 and 7.62 M80/M52 rounds**

The engineering and design of the Patriot portable bullet trap has no equal in its class. Heavy-duty and rugged, this trap incorporates an internal self adjusting energy dissipation plate. Upon being hit, it moves and assists to kill the rounds energy and/or splatter it. The round then falls harmlessly into the collection tray. No other trap today can match the performance and longevity of the Patriot Portable Bullet Trap model lines.
