Patriot Spinning Man Target

Portable 3-D Target made from premium certified 1/2" AR-500. The target is configured so that when hit, it rotates/spins providing a visual as well as an audible response. Rugged, heavy-duty and long lasting, this target provides easy relocation for various range layouts that allows for multiple tactical formation setups.

Designed for Multipurpose and Combined Arms Training Ranges, when the E-Silhouette Targets are struck, the spinning motion gives long distance direct visual feedback.

Heavy duty, long lasting and maintenance free, this unique and affordable target makes a great choice for training ranges. Can take rounds from 7.62 up to MK-19.
